- Homework help is provided in after care for one hour Monday – Thursday with certified teacher
- If picking up before 3:45 please report to Abney's main office. We will bring student to meet you there.

## NEW POLICY AND EFFECTIVE IMMEDIATELY

- Any student that has a balance that rolled over from the previous school year will not be able to return to Before/After care program.
- Balances will **NOT** be allowed to roll over.
- Account balances must be paid every week.
- Failure to pay childcare balance in full by designated due date more than two times will result in the parent being required to maintain a credit on their account. The credit on the account must be equal to or greater than the student's weekly bill. (Ex. If the student is a morning care student only, the parent must maintain a minimum account credit of \$25. This will be in effect for the remainder of the school year.) Failure to adhere to this policy will result in the student not returning to the Before/After care program.
- If it is found a student is unable to meet the rules and regulations set forth by the Director, workers or school administrators, the Director in conjunction with the School Principal reserve the right to request the withdrawal of the child. A one week notice will be given to the parent.
